

GUILDFORD 11-19 PARTNERSHIP

5 May 2021

IMAG INTERESTED, MOTIVATED & ABLE GUILDFORD

Dear Parents,

The Guildford 11-19 Partnership **IMAG** programme aims to provide more opportunities for *Interested, Motivated & Able* pupils in the *Guildford* area to capture students' imagination and interest outside of the classroom and encourage them to take the initiative and engage with programmes and events to enhance their education.

I am writing to make you aware and to encourage your child to apply for an upcoming opportunity. On **Mondays 17 & 24 May 2021** from **5.00-6.15pm**, we are running a **Children's Business Fair Entrepreneur Mini-Course** available to students in any year and most suitable for pupils in **Years 7 to 8**. The second session follows-on from the activities in the first session, so attendance at both sessions is highly desirable. This opportunity is **free of charge**.

Spaces are unlimited so I recommended that you share this experience as widely as possible. If you are interested in attending, please visit the IMAG website to find more information and to **register your attendance**: www.imag.education/events

This event will be hosted on-line using Zoom; Registered students will be sent the required links with instructions on how to join the event nearer the time.
