

ARTIST'S RESEARCH FRAMEWORK

Always include a colour picture of Artist's work

Brief Background of artist/ photographer/ craftsman including their main themes or subject matter, What art movement if any did they belong to? Did they work with, or were inspired by any other artists? Where and how did they work

The Artist/ Photographer I am looking at is.....they livedin.....

The Artist's subject matter/ topic is

The main themes of their work are.....

One of their best examples is.....(title, date) .

The reason I think this is because.....

Detailed Description- Personal Response of individual pieces using descriptive language, art words, full sentences and showing your own opinion

I was attracted to their work because(describe in detail what you can see, what intrigues you about the piece/ what works well, are they trying to convey a message? picture of work, title, date, material used).

Their medium of this work is(materials, style/ the way in which the work has been made)

I am really interested in it because

It reminds me of

How you will reuse the artist's techniques/ ideas

It has given me the idea of producing some art/ photography work showing/using.....

I aim to use this material (describe the manner you will use material, compose the photo and lighting etc).....

My idea connects to the Artist's work because.....
