

# POST-18 PLANNING AND PREPARATION

## Arcadis Insight and Skills Sessions

Arcadis are a leading global design and consultancy organisation. Whether it is maximising space in cities or making wasteland habitable, they deliver exceptional and sustainable outcomes. Working collaboratively to create value through built and natural assets that work in harmony with the surroundings – from shopping centers in Shanghai to new rail systems in Doha and reducing air pollution in Los Angeles.

The sessions will each last an hour and will cover the following topics:

- 12<sup>th</sup> July 10:30 – 11:30: Insight Session - Careers and Entry Routes into Arcadis
- 13<sup>th</sup> July 10:30 – 11:30: Insight Session - Engineering Opportunities
- 14<sup>th</sup> July 10:30 – 11:30: Insight Session - Environment Opportunities
- 15<sup>th</sup> July 10:30 – 11:30: Project Management and Cost Management opportunities
- 16<sup>th</sup> July 10:30 – 11:00: Skills session - How to write a great CV and Personal Statement
- 16<sup>th</sup> July 11:30 – 12:15: Skills session – How to master Assessment Centres

You can **register to attend all sessions or just those which you feel are relevant to you**. The sessions will be informative and interactive, where you will have the opportunity to ask questions. Register [here](#).

## Zoopla Summer Careers Insights Programme

Delivered virtually over two weeks between **Monday 26th July and Friday 6th August**

Since 2008 Zoopla has grown rapidly to become one of the UK's leading and most recognised consumer brands. Zoopla continues to transform the property landscape by delivering more transparency, certainty and efficiency across every stage of the housing lifecycle for consumers and property professionals alike.

### ▶ What will students be doing during the two weeks?

- **The projects:** Students will be tasked with working on and completing two separate briefs. The first is centred around collecting data for property alerts and the second, conducting customer research about moving home experiences.
- **Workshops:** In addition to the real projects students will be working on, they'll join two workshops delivered by the Fledglink Team.
- **Masterclass sessions:** Students will listen to a series of 'masterclass' sessions delivered by members of the Zoopla Team, providing them with a deep-dive in to different areas of the business.

The deadline for all applications is **Tuesday 13th July**. After this point, students will be made aware whether they have been successful in their application and can join the programme. **There are 15 positions available**. Apply [here](#).

## Bright Network are offering “On Demand” Internship Experiences

These experiences kick off on 27th July. Students then have until 13th August to complete everything and submit their project work, which is expected to be around 12-15 hours in total across the three-week period. After completing the sessions and submitting the work sample, you will receive a certificate, which you can add to your CV.

The experiences are available across eight sector streams:

- Professional Services & Consulting
- Technology
- Investment Banking & Asset Management
- Public Sector, Policy & Charity
- Business, Operations & Marketing
- Commercial Law

Applications should take no longer than 10 minutes to complete. It is open to all, but you will require a Bright Network membership - which is completely free, and you can set it up before you apply. **The application deadline for this opportunity is 25 July 2021 at 11:59pm.**

Once accepted, you will receive everything you need to complete your chosen stream and then have three weeks to finish the content and work sample. Sign up and apply [here](#).

**More to follow next week!**
